E. Outreach Activities

2013 Station Tours

The Point & WSKI often gives tours to the public and organizations that call. The tours encompass the whole station, explaining what each different department does and why.

2013 Internships

The Point & WSKI offer internships to interested students to allow them to learn the inner workings of the radio business. We have them produce commercials, assist the Program Director and Music Director. They help out with promotions doing various duties from administrative stuff to actually going to the event and "working" it. We had 1 internship positions available and filled this year.

2013 Job Fairs

- 2/2013 Montpelier Broadcasting participated in the Franklin County Job Fair which resulted in on-site interviews with potential employees. This is a significant opportunity for community outreach with regard to potential future hiring
- 3/20/2013 Montpelier Broadcasting participated in a Job Fair at the University of Vermont. We spoke with many graduates regarding opportunities in Radio and various positions we currently had available
We also discussed full-time positions we had available in Sales and Engineering. There were several attendees who were not students
- 5/22/2013 Montpelier Broadcasting participated at a Job Fair at Vermont Technical Place, 201 Lawrence Place, Williston, VT. This job fair was mainly directed at High School students, with an emphasis on internship opportunities at the radio station, as well as discussing the various careers available in Radio
- 10/30/2013 Montpelier Broadcasting participated in a Job Fair at the University of Vermont. We spoke with many graduates regarding opportunities in Radio and various positions we currently had available
We also discussed full-time positions we had available in Sales and Engineering. There were several attendees who were not students
